This rule making is adopted under the authority provided in Iowa Code section 218.4.

This rule making implements, in whole or in part, Iowa Code sections 222.6 and 222.13.

Purpose and Summary

The Department is amending the rules in Chapter 30 to update information on application processing and the admissions process. The catchment areas for the two state resource centers are identified in the current rules. The rules are amended to state that individuals may be admitted to a state resource center in another catchment area if the state resource center in another catchment area has a more suitable opening. References to the central point of coordination are removed because that terminology is no longer in use.
